UPCOMING OPEN HOUSE EVENTS
Chemung Schuyler Transmission Enhancement (CSTE) Project

Dear Landowner,

As part of the proposed Chemung Schuyler Transmission Enhancement (CSTE) Project, New York State Electric & Gas (NYSEG) will conduct three community open house events. Representatives from the CSTE Project team will be available at all events to discuss the project and answer questions.

*Please note, there will **not** be a formal presentation occurring at these events.*

Two of these events will happen in-person:

- Thursday, December 3, 2026, 4:00 – 6:00 PM at the Steele Memorial Library in Elmira (101 East Church Street, Elmira, NY 14901)
- Wednesday, December 9, 2026, 12:00 – 2:00 PM at the Dormann Library in Bath (101 West Morris Street, Bath, NY 14810)

Additionally, we will host a virtual open house via Zoom on Tuesday, December 15, 2026 from 4:00 to 6:00 PM. To access the virtual open house, use either the QR code or enter the link into your browser:
